

Open My Heart

Chorus

C **Fmaj7** **G** **E** **Am**
Open my eyes that I might see a vision of lost humanity
Fmaj7 **G** **F** **G** **C**
Open my ears that I might hear the voiceless hurting ones
Fmaj7 **G** **E** **Am**
Open my hands that I might touch the nails of Godly sympathy
Fmaj7 **G** **F** **G** **C**
Open my heart that I might feel the spear of selfless love

F2 **G**
And if I should take the name of Christ
E **Am** **D/F#**
And all my talk of sacrifice and yet
D **G**
Not touch the ones He died for
F2 **G**
And if I could speak with angels tongues
E **Am**
Sing the best songs that could be sung
D/F# **D**
And yet not love
G **C**
Then I deny the faith I said I'd die for

Chorus

Verse2 : And if I should pray in Jesus name
Gather with saints worship and pray
But yet not let it move me into action
And if I should study get degrees, doctrinalize theologies
But never feel any compassion
What is my faith Oh Lord

Instrumental of chorus

Ab **Bb** **Eb/C** **Bb/D**
And if I say I'm a Christian but not willing to obey
Ab **Bb** **G** **C**
Then by my lips and by my life I take your name in vain
