

Pray for the World

Bill Drake

C **F**
Awakened in the darkness for the lost and the unreached
Dm7 **G**
For long-forgotten peoples in the clutches of deceit
C **F**
I'm confronted by my prayerlessness; my weapons left to rust
Dm7 **G**
But if I run now from the battle, how could I ever face your Son?

C **F**
I want to fight for little children, for the poor and the oppressed
Dm7 **G**
Whose lives spill out like water in a barren wilderness
C **F**
I've had peace in my complacency, but that season is at an end
Dm7 **G**
The war that rips into my heart is the one that will ravage them

C **Dm7** **F** **Gsus4**
Father God the creator of the heavens and the earth
C **Dm7** **F** **Gsus4**
Here I am, use this vessel as a tool to do your work
C **Dm7** **F** **Gsus4**
Break my heart; bring me tears. Help this soldier to his knees
Am7 **Dm7** **F** **Gsus** **C**
To persevere in this commission and secure the vic - to - ry

C **F**
I want to pray for desperate people who've never heard the truth
Dm7 **G**
Whose individual lives are worth more than a cross to you
C **F**
I must crucify my apathy and face the enemy
Dm7 **G**
For if I don't offer my life now I surrender to defeat

C **F**
Pray for the World...
