Sacred Surrender

C2 Dsus D
I need your love, like a child needs a father
Held in Your arms; an embrace like no other
You are the life, that conquers my dying
Faith, hope, and love, that fulfills every longing

Em7 D/F# Em7 D/F#
Broken and poured out for You, A Fragrance of pure gratitude
C2 D C2 D
A worship in spirit and truth, Sacred Surrender

Sacred Surrender

Do anything, that you have to do to me
So You can do anything, that you want to do through me
Break anything, that you have to break in me
Then release anything, that you want to flow through me
