

# Talkin' 'bout Love

Intro: A D G D

A D  
Listen to the heavenly beat  
G C G  
It's the sound of the gospel being taken to the streets  
A D  
Saints are dancing to the joyful sound  
G C G  
With the rocks and the stones with creation crying out  
F#m G  
To the noise of injustice, and the pain of this world  
F#m D  
There's a voice that is righteous and it's dying to be heard  
A D  
And it's talkin' 'bout love, talkin' 'bout faith  
G D/F#  
Talkin' 'bout Jesus being the answer to the whole of the human race  
A D  
There will be freedom, there will be peace  
G D/F# A  
When we choose to move in power, in the power of His grace

**Now there is a Spirit, there is a truth,  
There's a new life in God that sets captive spirits loose  
There's a commission, there's a command  
To tell nations and peoples that the Kingdom is at hand  
In the face of oppression and the cries of despair  
There's a voice of compassion, and a word for ears to hear**

**In the distant thunder, hear the gates being opened wide  
It's the sound of revival, and it will not be denied (STOP – key change)**

**Key Change: B E A E B E A E B**
