So I say Jesus, You're still the One

The One that I love, the One that I need

The One that I want

**There are times when I feel insecure
There are times that I say: I need help, where are You now?
I don't know how to deal with doubt and fear,
All I want is You to show me how.
I don't know if this right or wrong
And what You really mean to me
All I want is to be loved by You
Cause Your love will make me free**
