

There's an Answer

Intro: **D Dsus4 add 7 D Dsus4 add 7**

D **Dsus4 add 7**
As I view the world around me, take in its current state
Manipulation and injustice do the dirty work of hate
Technology is reigning as the human heart grows cold
Oh, they'll sell to you the world my friend but they'll also buy your soul

Em7 **D/F#** **G2** **A**
And they live, and they die, watch the hopeless years go by
Bm7 **F#m7** **C2**
They could see, if they'd only believe

And when I see professed believers in the clutches of this age
Claiming truth and inspiration when so little's really changed
Where are the true disciples who have denied themselves
Taken up the cross and followed to live for nothing else
And they read, and they pray, but they go their own way
Can't they see, they're in such hypocrisy?

Em **G2** **D**
Ooo oo There's An Answer
Em **G2** **D** (Transition chord up to key of E = B)
Ooo oo On My Knees

E **Esus4 add 7**
But when I take a look inside me, I'm beginning to understand
For I share the same condition; for I too and a fallen man
I want to stand up for the Gospel; yet I've bowed my head in shame
How can I claim to want the heart of God, and yet not share His pain?

F#m7 **E/G#** **A2** **B**
Lord I've tried, and I've cried, watched my holiness run dry
C#m7 **G#m7** **D2**
Can you use me to bring glory to Your Name?

F#m **A2** **E**
