

I was born to worship You

D **G²**
From an inner sanctuary, in a vessel set apart
Bm
There's a passion that is burning
A^{sus} **A**
To be a man after God's heart
D **G²**
I desire to be broken, for the purpose of the cross
Em **Bm**
From a place of full surrender
C **A**
Lord my heart and voice cry out

F
If You need me to be willing
D^{m7}
For the ends of the Earth
C
I will follow You there
Bb
I will seek Your kingdom first
F
On this altar I am living
D^{m7}
To be poured out for Your truth
C
It's for this that I am offered
Bb² **D**
I was born to worship You.....Holy God

It's not gold that You require or my talents or my creeds
If You have my heart's desires
Then You have the rest of me
Lord my life is consecrated to bring honor to Your name
Lord I live to give You glory and to give myself away
